** Indicates results are masked due to small numbers to protect student confidentiality.
 - Indicates there are no students in the group.
 N/A Not reported in grades 9-12

English Language Proficiency

This section provides information on the number and percentage of English learners achieving English language proficiency based on the 2019 TELPAS (Texas English Language Proficiency Assessment System) data.
 (EL: English learner)

Number of English Learners	Percentage of English Learners	Percentage of All Students
229	5	2%

** Indicates results are masked due to small numbers to protect student confidentiality.
 - Indicates there are no students in the group.
 N/A Not reported in grades 9-12

School Quality or Student Success (SQSS)

This section provides information on the other indicator of school quality or student success, which is college, career and military readiness (CCMR) for high schools and average performance rate of the three STAAR tests for all students, regardless of grade level.
