Coordinator of District Advisory Bodies

Piper Sege Nelson: "What is SB9 and HB1325?"

Michele:

Piper: *Will you send us new Health TEKS?*

Michele: TEA has not posted new TEKS yet. Michele can send drafts to SHAC.

Piper: *Why is SB9 more focused on grades K-2 and not all grades?*

Michelle: *There were not any TEKS that focused on Human Sexuality so what we picked is helping kids to know their body parts. The good touch – bad touch and consent related to telling school mates about things like tickling that they don't like.*

There will be special feedback SHAC sessions on April 27 and May 4. SHAC members will receive their own log in to review all 55 lessons. SHAC members are encouraged to review all lessons.

Piper: *Will you be able to provide a link to the lessons?*

Michele: We want to provide a link to the lessons. We will provide opt-out or opt-values. Everything is always posted on AISD website for parents.

Claire Selinger:

	<p><i>Principals can make adjustments at any time to select another teacher as needed. Teachers who are not comfortable may teach the alternative lesson. Sometimes a school nurse or a counselor may co-teach.</i></p>
