

# Austin I.S.D. School Health Advisory Council Meeting

6:00 p.m-7:30 p.m., Wednesday, 1/18/23 Meeting

Location: 4000 S. IH 35 Frontage Road, 2nd Floor, Austin, Tx 78704

| Time | Agenda Item | Presenter or Staff Resource |
|------|-------------|-----------------------------|
|------|-------------|-----------------------------|

- x Speaker: Riley Faridifar, 7 year old student
- x We have 90 kids in gym class it's not safe and no teacher

x Jacob Reach: schools must have a plan and a policy

x

- x Alana: SHAC as a group must decide on prioritizing issues priorities to present to report to the Board for the Annual Report in April.
- x Whitney: feels like it is outside SHAC scopey Ma a facilities issue. If poisonous plants are discovered with a scan then it should be researched further.
- x Stephanie: not everything has to be a Board recommendation. This issue is part of the physical environment and part of SHAC. Does not think we need to have a vote on it at this time

Updates:

- x Approval letters: drafted on Elementary school guidelines; outline successes and recommendations. Vote will be taken at next meeting.
- x Christina Sheppard successful with 97% enrollment, Thrive with Five program has 298 employees enrolled; Grant funding received for field trips
- x PE: first round of Human Sexuality Ed. sessions was completed; interviewed by radio and Austin American Statesman; still collecting data from all schools
- x Coordinated School Health doing more education about it; sending out Principal Weekly's highlighting one area of Coordinated School Health and their supports.
- x Temperature guidelines will be presented at Feb. meeting by Pat Werner
- x May SHAC meeting will either be in person or have a meeting. Need to discuss how to fill new Chair positions. Candidates should be decided by March so it can be voted on
